THE OPPORTUNITY

Help Shape a Program Worth Being Proud Of

Falmouth Country Club operates the largest Food & Beverage program among private member clubs in the state — and we're focused on making it the absolute best. We're not just filling a seat behind the bar. We're looking for someone who wants to help build something: the standards, the culture, and the reputation that will define what we become.

The team you'll walk into is a work in progress — and that's exactly what makes this exciting. Your ideas, your passion, and your craft will have a real impact from day one.

THE ROLE

More Than Behind the Bar

Our bartender is a cornerstone of the member experience — setting the tone for every interaction, owning the energy and environment of the bar, and serving as a standard-bearer for quality and consistency. You'll work closely with the kitchen and service team, contribute to seasonal cocktail menus, and help raise the bar in every sense of the word.

WHO WE'RE LOOKING FOR

A Bartender Who Treats It as a Craft

- ◆ Someone who approaches bartending with cleanliness, consistency, precision, and genuine pride in every pour.
- ◆ A person passionate about spirits, wine, beer, food, and hospitality — who takes personal initiative to deepen their knowledge every day.
- ◆ Someone who doesn't wait to be taught, but actively studies and shares — believing the best programs are built when team members lift each other up.
- ◆ A professional who finds joy in creating memorable guest experiences and takes real ownership of the bar environment.
- ◆ Someone excited to help build a great team, not just join one — with the vision and drive to contribute to something lasting.
