THE OPPORTUNITY

Be Part of Building Something Great

Falmouth Country Club operates the largest Food & Beverage program among private member clubs in the state — and we're focused on making it the absolute best. We're looking for a few talented professionals to join our serving team and help shape the culture and standards that will define our future.

This isn't just a job opening. It's an invitation to contribute to a growing program where your experience, passion, and ideas genuinely matter.

THE ROLE

Where Hospitality Comes Together

Our servers are the connective thread of the dining experience — bridging the kitchen, bar, host team, and the members who choose to dine with us. Every shift is an opportunity to build genuine relationships, deliver exceptional experiences, and contribute to a team that takes real pride in what they do.

WHO WE'RE LOOKING FOR

The Right Fit

- ◆ Someone with a positive attitude and a genuine desire to create excellent experiences for every guest.
- ◆ A team-oriented professional who understands that great service is a collaborative effort — and is excited to help build the team, not just join one.
- ◆ Someone who doesn't wait to be taught, but takes personal initiative to grow, study, and share knowledge with those around them.
- ◆ A person who takes ownership of their environment and finds real pride and joy in the craft of hospitality.
- ◆ Candidates at any experience level are welcome — what matters most is attitude, work ethic, and a willingness to learn.
